As a follow-up to our meeting earlier today, I am again providing you my statement of intent to exercise my lateral transfer and bumping rights under the M.O.S.E.S. Collective Bargaining Agreement. I am also requesting a complete list of Title and Lower Title Bumping Options for review. The list attached to the notice provided by Commissioner Auerbach to me (see attached) does not appear to include all the positions that I can consider (including Laboratory Supervisor I and Bacteriologist III, II or I or Chemist) in addition to any Epidemiologist positions. Thank you for your consideration and prompt attention to this matter.
